A Personal Note

Why such a Horrible death?

Brothers and sisters in Christ, as I make my preparation to join you all in Bowling Green, I wanted to include in your newsletter a short newspaper article I wrote many years back reflecting on one theme of the Holy season of Lent. I hope that you find encouragement from this short devotion:

Often during Lent, a time of self-denial as we reflect on the meaning of the cross, I sometimes wonder, "Why did Jesus have to suffer such a horrible death". I mean, I know that Jesus had to die as a sacrifice for my sins and then rise again so that I could have new life now and forever. But why *that* death? Why couldn't He have been executed quickly, like at a guillotine, or by a noose. Why did God have Him die the way He did: being beaten, betrayed, mocked, whipped, slapped: an unimaginably horrible experience that lasted several days.

Then I got to thinking, "If Jesus had been put to death quickly and painlessly, would His death have meant as much to me? Would my sin have been revealed in all its ugliness? Would His saving act have appeared as great a thing?" The greater the debt you owe, the bigger the deal when someone freely cancels it out. Our debt was huge; so big that we were unable to pay it. It would have cost us our life! So God paid it on our behalf by dying on the cross. God showed us how much He loved us by suffering a death like no other, a death reflecting the greatness of our debt, a death that we should have undergone, yet a death that he *freely* underwent in our place. As our Small Catechism puts it so well in the explanation on the Second Article of the Creed (Redemption):

"I believe that Jesus Christ, true God, begotten of the Father from eternity, and also true man, born of the Virgin Mary, is my Lord, who has redeemed me, a lost and condemned person, purchased and won me from all sins, from death, and from the power of the devil; not with gold or silver, but with His holy, precious blood and with His innocent suffering and death, that I may be His own and live under Him in His kingdom and serve Him in everlasting righteousness, innocence, and blessedness, just as He is risen from the dead, lives and reigns to all eternity. This is most certainly true."

His atoning work involved a painful death. No pain outweighs the pain Jesus experienced on Calvary when He became sin for us (2 Cor 5:21); in a sense, His spirit was ripped in two as the Father turned His face from Him in that last hour. Although Jesus was 100% God, He was also 100% human. Sometimes I think that one reason that God chose such an excruciating painful death was to convince us that He fully knows what it is like to suffer as a human being, just like us. We can be assured that whatever we are going through, whatever pain and suffering comes our way, Jesus has been there too. He's experienced it all. He's been in our shoes and not only sympathizes with us, but empathizes with us completely.

And though we may not have all the answers to why we suffer, we can know that Christ not only relates to us, but actually does something about our situation. He not only died on a cross, but also rose from a grave. In our baptism we not only died with Him, but have also been raised with Him, a new creature in His sight. When we come together with the pastor for private confession and absolution, God carries away those secret dark sins which have been weighing heavy on our souls by meeting with us one-on-one, showing how important each of us is to Him. By God's Word, especially when we hear it in Church, He carries us through the worst life throws our way, and by His Flesh and Blood shed on the cross which we consume in Holy Communion, our weak bodies and souls are filled with the strength that He alone can give.

Smiths Grove Site Outreach

Our Smiths Grove schedule looks like this: each Saturday at 4 PM is Bible study time, followed by worship at 5 PM. If you can be with us, we would be happy to welcome you. Get to know some of your brothers and sisters in Christ in a new setting!

Please continue your prayers that this outreach would provide more open doors for the Gospel and that the Spirit will lead many to worship the risen Savior. If you know someone who is living in or around Smiths Grove, let us know so that we can contact them. Here is a church home where people get to know one another and grow in service to the Lord Jesus!

**In Christ's Service,
*Pastor Ristau***

A WORD FROM THE DIRECTOR OF SCHOOL MINISTRY

IMPACT

When evaluating the effectiveness of something it may be helpful to consider what the impact might be if that something no longer existed. Holy Trinity Lutheran Church has supported a school ministry for many years. Churches around the globe wrestle with the question of whether to continue to try to support and sustain their school ministries. Think of the impact that the school ministry has made on this community over the years.

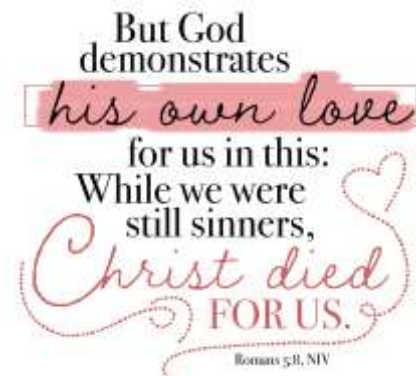

Holy Trinity Lutheran School currently serves a little more than 150 families through our preschool and elementary grades. It also employs over 50 individuals that serve the various areas of need. The school has

touched thousands of lives over the years. It donates to dozens of charities both locally and nationally and supports the Mid-South District, LCMS. The school participated with the church in the “28 Days of Giving” and classrooms collected boxes of food for local food pantries instead of doing classroom gift exchanges between students. We continue to offer a summer childcare program when many others in our community have closed and the demand is high. These are just a few examples of how the school impacts our community and when you multiply the number of years that the school has been in existence, the impact is significant.

I have seen repeated examples of the impact that the school has made as my daughter has transitioned to middle school. There are HTLS alumni that are now teaching our local schools, there are alumni that are serving as first responders, and there are alumni that serve in local government positions. I have seen HTLS alumni at community recreational leagues involved in sports programs, at middle school and high school athletic competitions, at travel ball competitions, and in local fitness centers.

Last month the school witnessed a baptism of 3 of our students during a chapel service. The school’s mission is to reach out to children and families with the Good News of Jesus...and faith is central to its purpose. There is no greater impact.

*In JOYful Service,
Bill Hiskey, D.S.M.*

The Church office & School will be **CLOSED** on Monday, February 16 for President's Day.

If you have a pastoral need please contact Pastor Ristau at (307) 301-9040 or harold.ristau@htlc-bq.org.

Our church is growing and we are developing more and more programs. This means that the building is being used more frequently as well.

In order to make using the building as easy as possible for everyone, it is **IMPERATIVE** that you contact the Church Office as soon as you plan to use any part of the facility to make sure the date and/or room is available, etc. There are also several policies that are in place for the use of the building that you need to be aware of when hosting an activity at Holy Trinity.

All of the activities at Holy Trinity will benefit from everyone working together for the best use of the facility.

by Lutheran Hour Ministry

In love, God sent His Son to redeem the world. In hatred, He was rejected. In *Behold Your King!*, we see the Savior stripped of His dignity, led away, and crucified on our behalf. No one could imagine this Man, this condemned and forsaken Man, was God in the flesh sent to liberate us from our sin by His death and resurrection.

We have in Jesus the supreme example of devoted service. His teachings defined the lives we are to live—both in praise and honor to God and in love and peace toward one another. All this Jesus did as God's chosen Servant, sent from heaven to earth to be our King, Savior, and trusted Friend.

Daily Devotions from LHM will help strengthen and encourage your faith as you do the same for others. Have them delivered right to your inbox, podcast the audio devotional, access them on your mobile device through the FREE app, or listen with Spotify, iHeart Radio, Alexa, or Google Home. Seasonal Devotions for Advent and Lent are available here in both English and Spanish. Perfect for personal reflection or to share with family, friends, and congregations, these seasonal meditations will help prepare you to celebrate the true meaning of these seasons.

If you don't have access to the internet, please contact the church office and we will print off a copy for you.

SPRING CLEANING FOR THE SOUL

Ash Wednesday is February 18, 2026, and it marks the beginning of the 40 days of Lent. Lent hints of spring, a time when the earth begins to awaken from a winter's nap, and new growth bursts forth all about us.

More personally, it is an opportunity to enter into a springtime for our spirit. For centuries Christians have used the 40 days of Lent to seek spiritual growth. Sincere repentance, a changing of heart, casting off old sinful practices and seeking to commune with our creator help us go in the right direction. Spending serious time in silence and prayer focuses our attention. Reading spiritual literature, becoming more knowledgeable about the New Testament, meeting in small groups with other Christians to share personal stories of faith can all be immensely stimulating. Joining with others to serve the helpless and hopeless can strengthen our spiritual life.

Lent is a time to let God do "spring cleaning" within us. It's our opportunity to allow God to help us toss out the "stuff" that hinders us and then freshen up the "new creature" we are meant to be as followers of Christ.

Chapel Service

We encourage ALL staff members to attend the HTLS Chapel Services during the school year. We will close the School Entrance door each Wednesday from 8:20 a.m. to 9:10 a.m.

Church members are always welcome to attend the chapel services and worship with the students, staff, and families of HTLS. Please enter through the School entrance as no other doors will be unlocked by 8:20 a.m. We are essentially "locked down" during chapel but you are welcome to wait in the school lobby for the staff to return.

The Chapel Service is also live-streamed on the HTLS Facebook Page – so you can "join" us even if you can't come to the building.

Please know that this will mean that no one will be answering the phones either, but you may leave a message and your call will be returned when the staff returns to the offices.

To the Believers of Holy Trinity Lutheran Church,

I pray the new year is filled with blessings and joys for you. May the Lord be with you as you eagerly prepare to receive your new shepherd.

I first wish to thank you for the great pleasure of serving you in worship in December. As part of my seminary education, I regularly assist with services at Blessed Savior Lutheran Church in nearby Florissant, Missouri. I've become accustomed to helping with various parts of the service but it was an honor to assist at the church where I was born, baptized, and confirmed. I greatly enjoyed reconnecting with many of you this Christmas.

But I really want to thank you for all your extremely generous donations to us. Many of you at Holy Trinity have never known me or have not known me a long time. The expenses of a seminary education are not excessively burdensome but they are consistent. While your assistance cannot be adequately thanked, I hope this note can properly convey our gratitude to you all. Thank you again.

Blessings to you in the new year. I look forward to seeing you all again soon.

Carl Wicklander

Room In The Inn BG would like to thank you for the generous donation of items for the homeless/unhoused we serve. It truly is a blessing to have these items on hand to distribute when needed.

Blessings,
Janet Yaeger
Acting Chair of Room in the Inn BG

THE LOVE GOD DESIRES

God's love is never meant to stop with us; it's meant to flow through us. When we love others, we reflect his very heart. As 1 John 4:12 (NIV) reminds us, "If we love one another, God lives in us and his love is made complete in us."

This is the true mark of a Christian — love that reaches beyond comfort zones, opinions and differences. Jesus said in John 13:35 (NIV), "By this everyone will know that you are my disciples, if you love one another."

The world is watching, not to see how loudly we profess our faith but how deeply we practice it. Every act of compassion, every gentle word and every moment of grace reveals something divine — God's love at work in us. The more we give that love away, the more it grows within us, mirroring the heart of Christ, who gave Himself for all.

So ask yourself: Does the world recognize you as his disciple by the way you love?

If you would like the latest update please contact the church office at 270-843-9595 or e-mail Elizabeth at church.admin@htlc-bg.org. The directory can be e-mailed to you or printed out and placed in your Narthex mailslot.

THE UPSIDE-DOWN BLESSING

The Beatitudes are more than poetic lines from Jesus' Sermon on the Mount. They're a radical redefinition of what it means to be blessed. The Greek word *makarios* doesn't just mean "happy." It describes a deep, untouchable joy that pain, loss or hardship cannot erase. As scholar William Barclay wrote, it is "the joy which shines through tears."

Jesus flips the world's idea of success upside down. The "blessed" aren't the powerful or prosperous, but the poor in spirit, the mourners, the meek and the merciful. Imagine reading them as "Congratulations, you who feel broken, God's kingdom belongs to you!" His words assure us that, even in suffering, we stand in God's favor.

Real blessing isn't about shiny possessions or smooth sailing. It's the steady, saving presence of God — a life preserver tossed to us when we're struggling to stay afloat. And it's not just an individual promise. Jesus spoke these blessings to a community, a we more than a me. Together, as the body of Christ, we find comfort, strength and the courage to live with joy that nothing in life or death can take away.
